SWIM UPDATES

Scott Carpenter Pool lifeguards save a life

On July 12, the city's Fire-Rescue Department honored Trew Mundy, Mick Konstantopoulos, and Nicole Carnelli with Life Saving Awards for their quick response to a cardiac event at Scott Carpenter Pool on June 17. Chief Michael Calderazzo presented the awards.

On June 17, Scott Sorenson had a seizure at the pool. Carnelli, an ICU nurse, checked Sorenson for a pulse and, finding none, began chest compressions. Lifeguards Konstantopoulos, Mundy and Recreation Supervisor Tim Stabbe applied an AED, took over compressions and applied supplemental oxygen. Emergency personnel arrived and, because of Konstantopoulos, Mundy and Stabbe's efforts, Sorensen is anticipated to make a full recovery.

Sorensen joined us for the award presentation and met those who gave him a second chance at life.

BPR lifeguards are live savers!

Additional parking for Scott Carpenter Pool now available at CU Boulder

There are now alternatives to parking in the lot at Scott Carpenter Pool. The city has coordinated with CU Boulder and pool visitors can now park in the university's lot 560, across 30th Street from the pool.

The lot is accessible via 30th Street or Marine Street.

The cost for parking is \$10/day and can be paid through CU's Parkmobile website at cuboulder.pmrserve.com/facility.

Community members should safely cross the street at the intersection of 30th Street and Arapahoe Avenue to and from the pool and CU parking lot.

Pool operations for the rest of the summer

Due to the constant shift in staffing levels, BPR won't be able to safely operate all five city pools this summer.

East, North and Scott Carpenter pools are open and operating for the maximum community benefit. Spruce Pool and South Boulder Rec Center Pool will remain closed through late August.

Also, due to low participation, we will be reducing vulnerable population lap lane reservation times soon. Check the city's website for updates.

CONSTRUCTION

Renovated Chautauqua playground brings out community to celebrate and have fun

Kids and adults climbed on Boulder's newest "flatiron" at Chautauqua Park playground on July 13 to celebrate the play area renovation project's completion. The event commemorated several years of work as the playground had exceeded its life expectancy and was ready for a facelift.

Construction on the playground started in August 2020 and was completed recently. The playground is now ADA accessible, meets safety regulations and includes:

- A large climbing boulder, dubbed the "sixth flatiron"
- A renovated playhouse
- A large, new play structure
- Renovated hill slides with a new flatirons mural underneath
- Accessible roller slide
- New swing set
- New play area surfaces
- New sand area by the playhouse
- New picnic tables
- Tennis court is now striped to be convertible to a pickleball court

Read more on the city's website at [BoulderColorado.gov](https://bouldercolorado.gov).

East Boulder Community Park to get year-round restroom, shade shelter

A new year-round restroom facility, shade shelter with seating, and a year-round drinking fountain with bottle filling station will be installed this summer at East Boulder Community Park.

The sports field parking lot will be closed for the construction until approximately July 30.

The pre-fabricated restroom should arrive around August 16.

See updates at bouldercolorado.gov/projects/east-boulder-community-park-restrooms.

North Boulder Recreation Center to shut down for annual maintenance

From Saturday, Aug. 14-22, the North Boulder Recreation Center will close for its annual maintenance. The facility will not hold any recreation classes and the indoor bathrooms will be closed, however outdoor tennis lessons will still happen. Thanks for your understanding and we'll see you when we reopen!

Skate park construction is happening at Howard Heuston Park and Valmont Park.

The Howard Heuston mini skate area is going in next to the basketball court. Construction is anticipated to be completed in mid-August.

At Valmont, the skate park is under construction and should also wrap up in mid-August. Bike pump track construction is complete, but the areas around the track are being seeded with grass, so the area is still closed. The bike track and skate park will open when other park improvements are complete, including parking lot renovations, stormwater quality garden, and dog park improvements.

Learn more about both projects at bouldercolorado.gov/projects/skate-park-improvements-and-pump-track-project.

SPECIAL EVENTS AND NEWS

Arts in the Park performances run through Sept. 26

The Band Shell is the place to be for Arts in the Park performances. From free shows featuring music from the "Roaring 20s" by MahlerFest Chamber Orchestra to live music, dance, physical theater, and circus arts by Boulder Arts Outdoors, there's something for everyone! See pg. 5.

City renames "Settler's Park" to "The Peoples' Crossing"

The city has renamed "Settler's Park" in west Boulder to "The Peoples' Crossing" – a name developed by representatives from federally recognized American Indian Tribes. The name honors the area as a crossroads for Indigenous Peoples who have traversed and lived in the mountains and plains of the Boulder area since time immemorial.

The city plans to officially implement the name change – with new trailhead signs and website changes – before Indigenous Peoples Day in October. The city also anticipates installing temporary signs on current interpretative panels in the area to help inform visitors of the name change, its meaning and how Tribal Nations helped rename the area.

The city extends its gratitude to Tribal Representatives for developing a consensus recommendation to rename Settler's Park.

Let's race some ducks on Aug. 29 at Scott Carpenter Pool

The 33-year tradition of the Great Boulder Duck Race raises essential funds that will help build equitable access to public spaces and recreation.

City launches new website

The city launched a new website on July 12 that's designed to be faster and easier for the public to use.

The new bouldercolorado.gov is shaped by user input, research and testing to better serve the needs of the community. The project has been several years in the making and city staff audited, consolidated and revised more than 5,500 webpages down to 1,000 as part of the process. The new website is designed to be:

- user-centered and service-driven;
- intuitive and easy to use;
- more efficient for staff to update;
- modern and visually engaging; and
- built on user research and iteratively improved based on user research.

Come see the sleek, modern look of the city's website at BoulderColorado.gov and give us your feedback.

Recreation classes transitioning from virtual back to in-person after Labor Day

BPR will be transitioning virtual, drop-in classes back to in-person classes starting this fall.

With this transition, our Virtual Drop-in Class Pass Membership will end on Friday, Sept. 3. All classes on the virtual drop-in class schedule will either transition to an in-person drop-in class included with a facility membership or will become a fee-based, virtual registered class.

An annual pass, punch card, or drop in visit, SilverSneakers, Renew Active and Silver and Fit passes are all accepted for the drop-in classes.

Please reference our website at apm.activecommunities.com/boulderparksrec/Home starting Tuesday, Sept 7 to learn how and where to access classes.

Adopt a Duck and Join Our Team Today!

The 2021 Great Boulder Duck Race date is set! Get Ready to PLAY in-person August 29th, 1-3 p.m. at the Scott Carpenter Pool.

In accordance with the current local COVID protocol, we are looking forward to being able to host an in-person event at Scott Carpenter Pool's Lazy River on August 29, 2021! The event is free and open to the public.

Small Group Swim Lessons | Ages 3-5

Small Group classes provide a more personalized interaction with instructors, running in a semi-private format of no more than (3) students per instructor and are great for children new to the swim lesson setting. Instructors will focus on a personal lesson plan for each child and skills will vary by individual swimming ability.

Preschool 1 | Ages 3-5

This is the class to take if your preschooler has not yet taken swimming lessons. This course will focus on introductory skills to help build his/her foundation in swimming while gaining confidence in the class structure. Students will be taught basic water safety skills and basic arm and leg movements to help develop comfort in the water. In addition, students will learn to enter and exit the water independently and float with support.

26313	10/23-11/20	Sa, 9:15-9:45am	East	5	\$65/\$81

Preschool 2 | Ages 3-5

Students will build upon the basic skills learned in Preschool 1 and begin to learn independent aquatic locomotion skills. Preschool 2 emphasizes independence in the skills learned in the first level.

26322	10/23-11/20	Sa, 9:15-9:45am	East	5	\$65/\$81
26324	9/11-10/9	Sa, 9:50-10:20am	East	5	\$65/\$81

Preschool 3 | Ages 3-5

Students will learn to perform the skills presented in Preschool 1 and 2 independently to reach greater distances and develop good coordination. The use of combined simultaneous arm and leg actions will continue to help the student build a foundation for proper stroke development and confidence in the water.

Lifeguard Training Classes | Ages 15+

This is a blended learning course that combines online learning with in-person skills. You must attend every class and pass all skills and written tests to receive Red Cross Certification (valid for two years).

Prerequisites must be completed/met before attending the course.

Contact Sara at Schmalfeldts@bouldercolorado.gov to setup a time.

- Must be 15 years old on or before the final scheduled session of the course
- Swim 300 yards continuously demonstrating breath control and rhythmic breathing. Candidates may swim using the front crawl, breaststroke, or a combination of both, but swimming on the back or side is not allowed. Swim goggles may be used.
- Tread water for two minutes using only the legs. Candidates should place their hands under the armpits or above the head.
- Complete a timed event within 1 minute and 40 seconds: Starting in the water, swim 20 yards. The face may be in or out of the water. Swim goggles are not allowed.
- Surface dive, feet-first or head-first, to a depth of seven to 10 feet to retrieve a 10-pound object. Return to the surface and swim 20 yards on the back to return to the starting point with both hands holding the object and keeping the face at or near the surface so they are able to get a breath. Candidates should not swim the distance under water. Exit the water without using a ladder or steps.

EXPAND Creating a community of ALL ABILITIES through recreation. Please contact Lori Goldman at 303-413-7256 or email at goldmanl@bouldercolorado.gov with any questions. Unless otherwise noted, programs are for all ability levels.

Scholarships & Financial Aid

For more information contact Lori Goldman at 303-413-7256.

EXPAND 3rd Party Funding

At this time, EXPAND is unable to accept Medicaid payment. We can accept 3rd Party Payments from other places. If you wish to use this option, please contact Lori Goldman, 303-413-7256 or GoldmanL@bouldercolorado.gov.

Participant Support and Staff Ratios

Our typical ratio of staff to participants is 1:4 for adult programs and 1:3 for youth programs. This will vary depending upon the type of program being offered and the participant registered. If you require additional support above these ratios please contact the program coordinator. Giving EXPAND a 2 week notice allows us to set up the proper supports so everyone can be safe and included in the program.

New Participants If you are new to EXPAND, please contact us to say hello! We would love to chat and find out a little bit about you so we can set you and our programs up for success.

Inclusion! Boulder Parks and Recreation is committed to supporting people of all abilities in recreation through both specialized and inclusive programs. We strive to exceed the requirements set forth in the Americans with Disabilities Act and to create a welcoming and supportive community. If you require an accommodation, please notify us at least two weeks in advance. For more information, contact Chelsea Cerny at 303-441-3416.

PERSONAL TRAINING & NUTRITION CAN BE OFFERED IN-PERSON OR VIRTUALLY.

Meet Kat Frazier

BS in Kinesiology & Physical Education

With over 6 years of experience, I have trained a variety of clients with diverse backgrounds and needs. I have had considerable experience working with older adults, and those with chronic health conditions. I train with a philosophy of "form first", addressing any dysfunction or asymmetries and building from a base. I believe that fitness should be functional, mimic daily patterns and improve overall quality of life. I am excited to support you in your goals.

Personal Training

Have a nationally-certified Fitness Professional design a results-driven program with you to achieve your personal health and fitness goals. The initial "Get Started" appointment is 90 minutes in length and includes a consultation with optional cardiovascular, muscle strength and flexibility assessments - required for all new personal training clients. All follow-up appointments are 60 minutes in length.

To view trainer bios and request a personal training session, visit bprfitness.org and submit the session request form on the training page.

Personal training paperwork and payment must be received prior to starting your exercise program. A 24-hour cancellation is required or you will be charged for your session. To cancel, please contact your trainer directly.

Private Personal Training

To Schedule A Private/Semi-Private Lesson

Private and semi-private personal training sessions are by appointment only. To schedule, please complete our [session request form](#). Scheduling based on instructor availability.

Youth Weight Room Orientation

All youth under the age of 16 must complete a personal trainer led 60 minute weight room orientation in order to use the weight room with the supervision of an adult. Youth Weight Room Orientations are offered to youth age 12-15 years and are required for them to use the space and equipment with adult supervision. These 60 minute orientations provide an opportunity to teach youth how to use the weight room equipment safely, goal setting, human anatomy, how to create a program, and weight training protocols. Following the orientation, a note is put on the account of the member for use of the equipment. **Cost: \$30**

Adult Weight Room Orientation

These 60 minute orientations provide an opportunity to teach members how to use the weight room equipment safely, goal setting, human anatomy, how to create a program, and weight training protocols. Following the orientation, members will have the knowledge and tools to safely and effectively utilize our weight and cardio equipment on their own to achieve their fitness goals. **Cost: \$30**

Fitness Assessment and Consultation:

This initial Fitness Assessment and consultation includes a series of fitness tests and review of results that help determine your current fitness level and provides a baseline with which to chart your progress. The assessment covers all the components of fitness, including: body composition, cardiovascular fitness, flexibility, and muscular strength and endurance. After the assessment, your trainer will review your results and provide resources to help you set and achieve your fitness goals. Plan on spending at least 30 minutes to an hour to complete your fitness assessment and consultation. **Cost: \$30**

Nutrition Consultation

Make the most of the fuel you use to power your body and mind with a private nutrition consultation with a registered dietitian nutritionist or nutrition coach. Our nutrition professionals will assist you in making lifestyle changes that can include how to plan, prepare and select nutritious foods that support your optimal health.

To view nutrition coach bios and request a personal training session, visit bprfitness.org and submit the session request form.

Nutrition paperwork and payment must be received prior to completing your appointment. A 24-hour cancellation is required or you will be charged for your session. To cancel, please contact your coach directly.

1 session \$72 • 3 sessions \$205 • 6 sessions \$400 • Nutrition/PT combo \$274

Personal Training & Nutrition Policies

**If a client cancels more than 24 hours prior to the lesson, he or she will have the opportunity to reschedule the personal training session and will not be charged. However, if the client cancels the session within 24 hours, or a client does not arrive for the lesson within 15 minutes of the start time they may be charged for that session. (All sessions expire one year from purchase date) Refunds per coordinator discretion only.*

Private and semi-private lessons are a great way to learn the basic concepts or hone your skills in a private environment!

Private and Semi-Private Pilates Reformer

These sessions are a great way to experiment with this mind-body discipline and be introduced to the Pilates Reformer (a non-impact system that works the whole body). You will receive individual instruction and learn the basic concepts and foundations of the method, which will help you fine-tune your movement patterns. You will also be taught how to use the equipment properly and safely. If you already have Pilates experience, Privates or Semi-Privates will support you in honing your skills. You and your instructor will tailor your session in order to facilitate improving your practice and achieving your goals. Expect your session to challenge you to work hard physically and to mentally focus so that your movement empowers you.

Private and semi-private lessons by appointment only. To schedule a private or semi-private session, please complete our [session request form](#). Scheduling based on instructor availability.

Pilates Reformer Orientation

This course will introduce you to the Pilates Reformer apparatus, and get you started on learning the basic Level 1 exercises. Proper and safe use of the equipment is emphasized. This form of exercise is often recommended by physical therapists, doctors and chiropractors. It effectively tones the whole body. See if Pilates Reformer is the right workout for you.

NEW

Boomer Trainers

As adults hit their 50's and 60's the demand for the seasoned trainer arises. We have older adult personal trainers on staff that understand the changes that occur with age. Our seasoned trainers have experience working with health issues that many older adults are faced with.

To be matched with a Boomer Trainer contact our fitness program coordinator at 303-413-7280 for availability.

Be Well Saturdays

Boulder Community Health's new Virtual Wellness Series, Be Well Saturdays, is a new video series that will premiere on the second Saturday of each month throughout the summer. Join BCH Community Outreach Coordinator and host Gina Simmering, RN and guests to hear a variety of tips on how to stay active, eat healthy and be well from BCH physicians and some of our wonderful community partners.

Older Adult Functional Assessment

This fitness assessment is designed to provide feedback to new members regarding their current health and fitness status to find the best program fit for their individual needs and goals. Led by a fitness professional, the basic functional assessment consists of evaluating cardiovascular conditioning, strength, flexibility and balance. Activity and program recommendations will be given based on the results. This assessment and consultation is intended to help older adults maintain an active and fully functional lifestyle. Cost is \$15 per person by registration only. Assessments are limited to 3 participants. Register in person at any recreation center front desk or call 303-441-3148 to make a reservation. Scheduled every two weeks so please call for available dates through the fall.

Policies & Information

Recreation Center Holiday Closures:

9/6	Labor Day - North open 8am-1pm; East and South closed.
11/25	Thanksgiving Day - All closed.

Lock Policy

Patrons are urged to bring a lock to secure valuables. The City of Boulder is NOT responsible for lost or stolen property. Lockers are available for day use only.

Financial Assistance

The City of Boulder offers financial aid to assist community members living in the city limits who cannot otherwise participate due to financial limitations.

To find out more about our financial aid programs and how to qualify, ask our center staff or email gazdikm@bouldercolorado.gov.

Registered Class Visitor's Fee

This pass allows you to drop into a registered class, if space is available. Cards can be purchased at centers and are valid for six months from date of purchase for the following programs: Adult Dance, Yoga, Swiss Ball, and Pilates Mat classes. **\$70 for 5 classes**

Why Register Now?

Why wait – when you can lead the way? TODAY is the best day to register for the classes you want.

Why? Because under-enrolled classes get canceled and might be dropped entirely to make space for more popular programs. Registering early is the best way to prevent your favorite class from cancellation.

Under-enrolled classes will be canceled prior to the first session. Thanks for registering today!

Class Size

Limits have been placed on the size of some classes to assure quality instruction. Registration is first come, first served. Register early to ensure a place in the classes you want. Class enrollments are reviewed 3-5 days prior to the first class and those with insufficient enrollment will be canceled. Registration must be made prior to participation in any Parks and Recreation program or activity.

In an Emergency - What's Our Plan?

The City of Boulder Parks and Recreation Department operates many programs and facilities for the Boulder community. We know that under rare circumstances, extreme weather or other situations have the potential to impact our operations, facilities and patrons. In an emergency, staff will follow plans and procedures designed to ensure the safety of participants. A plan has been tailored to each specific site and facility we manage. In the event of an emergency requiring the relocation of participants, program leaders will communicate their actions and evacuation location (once practical) to department communication staff. This information will be uploaded online to bouldercolorado.gov and be added to the city's emergency information phone line at 303-441-4300 as soon as possible. If you have any questions about the Department's emergency plans, please call 303-413-7200.

Access for All

Boulder Parks and Recreation is committed to supporting people of all abilities in recreation through both specialized and inclusive programs. We strive to exceed the requirements set forth in the Americans with Disabilities Act and to create a welcoming and supportive community.

If you require an accommodation, please notify us at least two weeks in advance. For more information, contact Lori Goldman at 303-413-7256.

Children Under 12

For your child's safety and well-being, the City of Boulder Parks and Recreation Department requests that children under 12 years of age not be left unsupervised at any recreation facility, or outdoor pool. It is acceptable to leave children participating in organized classes or programs, as they are under the care of an adult program leader or instructor.

Photographs & Model Release

By entering Boulder Parks and Recreation facilities or participating in our programs, you agree that photographs, digital images or video of you and your family-members may be created and used for future promotional or marketing material by the City of Boulder without prior consent or monetary compensation.

Photography/videography of facility users or program participants by unauthorized individuals is prohibited. Thank you for your cooperation.

Acknowledgment of Risk / Waiver of Liability

As a condition of use of any City of Boulder Parks and Recreation facility or participation in any program, sports league, class, recreation or fitness activity, you agree as a participant or parent/guardian of a participant in the program, to assume all risks and hazards of engaging in or as a spectator at any city activity or facility, including assuming all risks for personal injury, death and property damage.

You further agree to hold harmless the City of Boulder, its staff, instructors, volunteers, officials, sponsors, partners or representatives from liability for any losses, damages or injuries that may occur in any way as a result of these activities or facility uses – regardless of cause.

You further certify that you are properly prepared to engage in any activities you have selected and that you have recently consulted a physician to establish that it is safe and appropriate for you to engage in these activities.

Participants (or the parents/guardians of minor children) may also be required to complete a medical health history and/or sign an additional waiver of liability prior to participation in any programs or classes. Anyone recovering from an injury or illness must first discuss their return to physical activity with their physician and Parks and Recreation instructor prior to enrolling/participating.

Therefore, having read and understood this waiver and in consideration of your accepting my entry into a City of Boulder recreation facility or program, I, for myself and anyone entitled to act on my behalf, waive and release the City of Boulder, all staff, volunteers, sponsors, and representatives from all claims or liabilities of any kind arising out of my participation in (or as a spectator of) any program or use of any facility.

NOTE: If a facility user or program participant is under 18 years of age, you as a parent or legal guardian, agrees to the same terms, conditions and waiver of liability set forth in this agreement.
